Present: Cllr Batchford, Cllr Bond, Cllr Taylor (Chairman), Cllr Wada, Cllr Watt. Also present: Clerk P Palfreyman, Essex County Council (ECC) Cllr Siddall, Braintree District Council, Cllr Spray (BDC) and 2 members of the public

366. APOLOGIES FOR ABSENCE Cllr Courtauld

367. DECLARATION OF INTERESTS BY MEMBERS ON ITEMS SHOWN ON THIS AGENDA. None

368. CONFIRMATION OF MINUTES OF LAST MEETING

The minutes of the last parish council meeting on 16 November 2021, which had previously been circulated, were agreed as a true record.

369. MATTERS ARISING FROM THE MINUTES NOT DEALT WITH ELSEWHERE

There were no matters arising from the minutes.

370. TO RECEIVE REPORTS FROM ESSEX COUNTY COUNCILLOR AND BRAINTREE DISTRICT COUNCILLORS

Cllr Siddall

In the weekly meeting from the cabinet member for Health, it was advised the Covid numbers are decreasing. People are still being admitted to hospital, but the numbers are lower. The percentage of unvaccinated people is now in single figures and the strong message is to get the vaccine and booster. There is a new £500000 fund for climate change, available until 2023. There is also an Arts & Cultural fund of £1 million, over 5 years to support the creative sector. The budget increase is 4.4% which includes an increase of 2.99% for adult social care. The Band D ECC element is £60.21 per year/£1.16 per week. Cllr Siddall is pushing for the Village Hall/land transfer. Until the land is owned by the Council, they cannot instal solar panels and EV charging points. The Highways Officer for the Village Green scheme will visit on 19th January 2022 to look at all the schemes. There is also a visit planned by the cabinet member for Highways in the near future.

Cllr Spray

Cllr Spray advised that she was elected in 2003 and the transfer of the VH Land was on the agenda then. The final budget proposal will go to full Council in February 2022. Income has fallen for parking revenue and planning applications (hence fees) and Covid has been expensive for the Council with the support it has provided. The BDC Council Tax element will be a 2.68% increase for a Band D household which is less than 10p per week. There will be some cuts, but not to front line services. Some fees and charges may increase. There was a debate about the Councillor Locality budget continuing, which is currently £1500 per councillor. It will continue this year, but the amount may be reduced. There has been much talk about the Wethersfield Prison project but so far, no planning application from the MOD. Some of the information on social media is incorrect but if it does go ahead, it will be the biggest planning application BDC have had to deal with. The traveller's site in the village has until the end of February 2022 to move off the site and reinstate it too how it was. If not, there will be heavy fines imposed.

371. PUBLIC QUESTIONS AND STATEMENTS

The meeting was suspended for public questions and statements

(b) Financial statement

The clerk advised the report has been previously circulated and there were no questions.

(c) To review the budget for 2021/2022

The clerk advised the budget income and expenditure was considerably over budget due to the grants received and expenditure made because of the grants.

(d) To agree the clerks annual pay rise

The clerks annual pay rise was agreed in line with the NALC April 2020 pay scales at SCP26.

(e) To finalise the budget for 2022/2023

The budget was agreed to include a sum for clerks' overtime, the café, playground inspections and the new booking system.

(f) To agree the precept for 2022/2023

The Council discussed increasing the precept for 2022/23 and agreed that due to the reserves held, the precept could remain the same at £12243, with any surplus being met from reserves. The Band D equivalent will be £56.68.

(g) To agree to appoint Jan Stobart as the Internal Auditor for 2021/2022 at a cost of £210.00.

The Council agreed to appoint the Internal Auditor.

376. VILLAGE HALL

- (a) To receive an update about the appointment of a new cleaner The cleaner and bookings clerk resigned in December 2021 and a new cleaner has been appointed. After a handover next week, she will carry out 2 or 3 deep cleans per week. The high touch cleans will be discontinued.
- (b) To discuss and agree a new online booking system for Village Hall bookings

Cllr Taylor and the clerk have been looking in to using an online system called Hallmaster. The cost is £180 per year and includes automatic invoicing and can be included on the website. Cllr Taylor is carrying out a 3-month free trial with hirers adding their own bookings online and times booked out for cleaning. Sum Up has not worked well with hirings and bookings and the Council agreed to use a PayPal account which links

to Hallmaster. Cllr Taylor will manage the trial after which a bookings clerk will be considered.

(c) To receive an update on the RCCE grant for the canopy and associated works

The canopy is now going up but has had some challenges as the track bed is still in place and there has been a lot of water, plus water pipes and power cables to avoid. Completion should be in time for the next café in a couple of weeks' time. The chairs and trolley have arrived which will be stored in the shed for use under the canopy. Eventually a new surface might need to be put down.

(d) To receive a report about the village hall hirings
Some bookings were lost due to Covid and recently two regular hirers
have left due to lack of support for their classes, but hope to return to
different time slots in due course. The hall is popular for parties.

377. WHITE COLNE VILLAGE GREEN

- (a) To discuss replacement and extra bollards around the Village Green Following discussion of the quotes, it was agreed to replace 4 of the bollards at the bottom of Colne Park Road.
- (b) To discuss and agree costs to check, install and remove the Christmas lights in 2022, costing £250 + VAT for installation and £150 + VAT to remove them.

Following discussion, it was agreed to accept this quote and instruct the electricians

- (c) To consider whether any further lights should be installed Cllr Bond suggested that more lights on the small group of trees on the left-hand side of the Village Green, would balance up the display. The Council agreed to consider quotes for additional lights.
- **378.** To discuss and agree registration with the Information Commissioners Office at a cost of £40 per year Following discussion, it was agreed that the Council should be registered with ICO.

379. TO DISCUSS AND AGREE THE COUNCILS COMPLAINCE REQUIREMENTS FOR THE PUBLICATION OF AGENDAS, SUPPORTING PAPERS AND MINUTES.

382. ITEMS TO BE CONSIDERED FOR THE NEXT AGENDA

383. Chairman to MOVE that the press and public be excluded during the transaction of the following items on the grounds that publicity would be prejudicial to the public interest because of the confidential nature of the business to be transacted

389. TO DISCUSS NON-PAYMENTS OF THE VILLAGE HALL HIRE FEES AND AGREE THE NEXT ACTION.

The Council advised the Clerk the next actions to be taken.
