Village of the Year 2025

Minutes of the White Colne Parish Council Meeting held at White Colne Village Hall on Tuesday 20th January 2026 at 19:30hrs.

Present: Cllr Paul Batchford
Cllr Paula Bull
Cllr Michael Field
Cllr Jason Pryke
Cllr Jane Taylor (Chairperson)
Cllr John Wilson
Jim Morris, Parish Clerk
Cllr Gabrielle Spray, Colnes Ward
Cllr Chris Siddall, Halstead Division
Two members of the public

077/25 APOLOGIES FOR ABSENCE

Apologies for absence were received and accepted from Cllr George Courtauld, Colnes Ward.

078/25 DISCLOSURES OF INTERESTS

Cllr Wilson had an ongoing dispensation, in accordance with Standing Order 13(e), to take part in discussions and any vote regarding Allotments.

Cllr Taylor declared an interest in Agenda item 10, i, c: *Planning: Ref 25/02869/FUL*. Cllr Taylor owned property near to the proposed development site.

079/25 PUBLIC SESSION

A local resident noted that the streetlight on Colneford Hill was still missing. There was a continued danger to pedestrians due to lack of illumination on the uneven surface, and a parked van had recently been broken into.

RESPONSE: the resident was thanked for their contribution. The item was on the council's Matters Arising, and the Clerk would follow up with ECC Highways and Cllr Siddall. Cllr Siddall asked for a letter from the Clerk formally requesting that the streetlight at Colneford Hill be reinstated.

A parishioner asked whether a bin could be installed adjacent to the layby on Bures Road. The area was often used as a fly-tipping site.

RESPONSE: the resident was thanked for raising the matter. It was noted that the installation of a bin could cause an increase in litter, but the council would explore possible solutions.

080/25 MINUTES

The Minutes of the White Colne Parish Council Meeting held on 18.11.2025 were approved as being a true and correct record by council and signed by the Chairperson.

081/25 MATTERS ARISING

Members considered the parish council's list of matters arising and ongoing (attached to record Minutes). The SID possibly needed to be returned to the manufacturer for servicing; *Village of the Year* signs were due to be installed; the Waste & Minimisation Team would attend the Warm Hub scheduled for 2nd March; the POSI survey had been responded to; and a contractor had carried out minor repairs needed to the play equipment. It was noted that the recycling banks in the Village Hall car park may remain in place for longer than previously anticipated to allow the new system to become bedded in. Other matters were either ongoing or due to be considered at the meeting. **It was RESOLVED: that the matters arising be noted.**

082/25 CO-OPTION OF NEW MEMBER

No potential new councillors came forward.

083/25 REPRESENTATIVES' REPORTS

Colnes Ward Cllr Gabrielle Spray had provided a written report for the meeting to consider (attached at Footnote¹) and offered further context. The Local Plan Sub-Committee had assessed all proposed development sites, and was due to meet and would consider reports from Highways which raised serious traffic constraints. The government had withdrawn from committing to make improvements to the A12 yet insisted the housing targets must be met. The Regulation 18 Consultation would likely begin shortly after the Full Council meeting scheduled for 2nd February. New Highways maintenance contracts aimed to improve quality and responsiveness. The County Council only gritted main routes. Parish councils could request free salt via Essex County Council's Salt Bag Partnership, which could be placed anywhere in the parish, not just parish-owned land. Council tax proposals for 2026-27 were pending, following late notification of the settlement from central government. The expansion of Stansted Airport was noted.

RESPONSE: Cllr Taylor thanked Cllr Spray for her report, and noted that the parish took part in the Salt Bag Partnership.

Colnes Ward Cllr George Courtauld had offered apologies for absence.

Halstead Division Cllr Chris Siddall offered a report to the meeting. The Local Government Reorganisation Consultation had closed, and discussions were being held over its enactment. Central government would make the final decision. The expected Mayoral elections had been postponed. Cllr Siddall intended to stand for election to the Unitary Council.

Essex Highways had been given a "green" rating nationally, reflecting spending, not completion. The expansion of Stansted Airport was noted, with its expected uplift in employment. Cllr Siddall noted that the replacement of the missing streetlight at Colneford Hill had been approved, and asked for a letter formally requesting it be reinstated. Correspondence requesting works to improve footways on Colneford Hill would also be welcome.

RESPONSE: Cllr Taylor thanked Cllr Siddall for the report, and would write to request works to improve footways and a grant for a Speed Indicator Device pole.

084/25 FINANCE

i. To RECEIVE and CONSIDER bank reconciliations for 2025-26 Q3 (to be tabled at meeting).

Cllrs Pryke & Wilson approved reconciliations for November and December 2025.

ii. To note lists of payments made in 2025-26 Q2 & Q3 (attached to record Minutes).

It was RESOLVED: that the schedule of payments for 2025-26 Q2 & Q3 be noted.

iii. Maintenance quotes: Village Green, Village Hall, The Meadows. Members clarified the schedule of maintenance of the Village Green and Meadows during No Mow May. Quotes from contractors would be considered at a future meeting.

¹ REPORT FOR PARISH COUNCILS JANUARY 2026

LOCAL PLAN: The Local Plan sub-Committee will meet on 21st January to consider the Essex County Highways report on the major sites provisionally agreed by the Committee to be included in the revised Local Plan. Also under consideration will be the first draft review of all the sites selected so far; this is in preparation for the 6-week Regulation 18 public consultation which will start early February, subject to approval by Full Council on 2nd February.

COUNCIL TAX 2026/27: The level of Council Tax for this financial year is set by BDC's Cabinet and will be discussed by the Corporate Scrutiny Committee on 28th January before being agreed by a meeting of Cabinet on 5th February.

GRITTING OF ROADS and FOOTPATHS: Following several enquiries from residents concerned about who is responsible for gritting roads and footpaths in the winter, I thought it would be helpful to clarify the process – which I have confirmed to be correct: **Roads** e.g. Earls Colne High Street, Halstead Road, Colchester Road etc, these are solely the responsibility of Essex County Highways who will undertake gritting of the main routes but not the small side roads or estate roads.

Footpaths: Neither ECC nor BDC are responsible for the footpaths. However, Essex County Council run the **Salt Bag Partnership**, and this unit will deliver one tonne of bagged salt, free of charge, to be used by Parish Council workers and/or volunteers wherever they think it's most needed in their area – not restricted to land the PC own or manage. All Parish Clerks are contacted by end of May each year, with a link to an online form, asking if they have sufficient supplies or require more salt. The deadline for 2025 was 21st July. The salt is then delivered to the person named on the form prior to the start of the winter season. I hope this information is helpful. Best regards, Cllr Gabrielle Spray

iv. Members considered information on Village Hall fees, which had been circulated with the Agenda. Average local rates for Village Hall hire were £17.05 per hour on weekdays and £19.28 per hour on weekends. The minimum hire would be set at two hours, with half-hours allowed thereafter. **It was RESOLVED: that the hourly cost of hiring the Village Hall be increased to: £12 weekdays, and £15 on weekends. The hourly rates for parties and kitchen hire were not increased. The changes would come into effect from 01.04.2026.**

iii. Members received and considered the proposed White Colne Parish Council budget for financial year 2026-27 (attached to record Minutes). Income assumptions for Village Hall hire and solar energy had been adjusted conservatively. Member allowances were to be introduced, and earmarked reserves would be used for events, IT, and maintenance of the Village Hall. The Budget proposed a 4.99% precept increase, equivalent to £2.92 per Band D household.

It was RESOLVED: that the council's Budget for 2026-27 be unanimously approved.

iv. The Precept requirement to service the council's 2026-27 Budget would be £13,435 (attached to record Minutes).

It was RESOLVED: that the precept requirement be set at £13,345. Cllr Taylor and the Clerk signed the paperwork.

085/25 COMMUNITY LIAISON

i. Correspondence: *Have your say on our budget proposals for 2026-27* (attached to record Minutes).

It was RESOLVED: that the item be noted.

ii. Correspondence: *Community Café 2nd & 4th Friday* (attached to record Minutes). Essex Sight had suggested attending a Community Café to make residents aware of the services it offered.

It was RESOLVED: that Essex Sight be invited to attend a Warm Hub, rather than a Café.

iii. Cllrs Bull, Pryke, and Taylor had attended a Four Parishes joint meeting with Chappel, Earls Colne, and Wakes Colne Parish Councils. Colne Engaine had missed the invitation to attend. Cllr Bull noted that White Colne was best represented, and that Cllr Taylor had offered reports on solar energy and Warm Hubs. Cllr Patrick Dent (Chappel) had supplied information on Community Speedwatch, and it was hoped that the scheme could be extended through parishes from Earls Colne to Eight Ash Green. Cllr Denise Stocker (Wakes Colne) had spoken on the response to the Colchester Local Plan, which had been shared with adjacent parishes. The meeting had agreed that Neighbourhood Delivery Committees, suggested by proponents of Local Government Reorganisation, were not required and would possibly diminish the roles and responsibilities of parish councils. Cllr Taylor further noted the importance of meetings that encouraged joint working.

It was RESOLVED: that the report be noted. Members would consider attending a future meeting once a date had been received.

086/25 PLANNING

i. Applications

a) Ref: [25/02816/ELD](#) (attached to record Minutes).

Location: Brookfield Stables, Wakes Colne Road, White Colne, Essex, CO6 2QE.

Proposal: Application for a lawful development certificate for an existing use - Use of two static homes as a dwelling.

RESPONSE: White Colne Parish Council does not offer comment on application ref 25/02816/ELD.

b) Ref: [25/02834/REM](#) (attached to record Minutes).

Location: Land To The Rear Of, 5 Colne Park Road, White Colne.

Proposal: Application for Approval of Reserved Matters (in respect of Landscaping) pursuant to outline planning permission 22/02902/OUT granted 27.02.2023 for: Outline planning application with all matters reserved for the construction of 1 No. 3 bedroom bungalow.

RESPONSE: White Colne Parish Council notes and supports the comments offered by the Arboricultural Officer, dated 13.01.2026, which states that a Tree Survey, an Arboricultural Impact Assessment, and an Arboricultural Method Statement are required in order to fully assess the extent of the works being proposed.

c) Ref: [25/02869/FUL](#) (attached to record Minutes).

Location: OS 7271 Land South West of Fox and Pheasant Farm Colchester Road, White Colne.

Proposal: Change of use of land for the creation of additional 2 no. Gypsy/Traveller Pitches, comprising the siting of 1 mobile home, 1 touring caravan, alongside the erection of a semi-detached utility building (Part retrospective).

RESPONSE: White Colne Parish Council objects to Planning Application ref 25/02869/FUL. The Planning Inspector in Appeal Decision APP/Z1510/W/21/3289767 notes that the site came forward in addition to those identified in the Planning Policy for Traveller Sites (PPTS). Condition 3 of the Appeal Decision states that: *No more than 4no mobile homes and 4no touring caravans, as defined by the Caravan Sites and Control of Development Act 1960 and the Caravan Site Act 1968 as amended, shall be stationed on the site at any one time. No further caravans shall be placed at any time anywhere within the site.* The proposals therefore constitute overdevelopment of the site, exceeding the limit on occupation set by the Planning Inspector.

The parish council further notes that the site is bordered by the extent of the Environment Agency's identified Flood Zones FZ2 and FZ3, and is partially overlaid by the Flood Warning Area (map attached). The proposals lack clear and detailed information on any use of Sustainable Drainage Systems (SuDS) which would help mitigate the increased risk of flooding caused by the proposed scheme's hard standings.

The site is not connected to the sewage system; it has been adjudged "unfeasible to be connected to mains drainage," and there is no Method Statement given depicting the expected frequency of cesspool maintenance that increased development would incur. This oversight cannot be overlooked.

White Colne Parish Council urges Braintree District Council to refuse this Application at the earliest opportunity.

d) Ref: [26/00049/TPOCON](#) (attached to record Minutes).

Location: 44 Colneford Hill, White Colne.

Proposal: Notice of intent to carry out works to trees in a Conservation Area: Fell Leylandii trees located on the boundary between 42 & 44 Colneford Hill.

RESPONSE: White Colne Parish Council does not offer comment on Application ref 26/00049/TPOCON.

e) Further items received after Agenda:

Unauthorized development of a poultry business at Chalkney Mill, including the construction of concrete hardstandings and sheds in flood zone.

Application refs 25/02425/HH & 25/02271/LBC, relating to Chestnut Cottage, had been withdrawn. The physical works remained, however, and flood risk issues were noted. Clarification from Planning Enforcement would be sought.

A hedge had been planted on former railway land adjacent to a property on Colne Park Road. A letter would be sent.

Notification had been received of the Draft Neighbourhood Plan for Toppesfield Parish (attached at Footnote²). The council did not wish to offer comment.

It was RESOLVED: that the items be noted.

ii. Decisions – none received.

iii. Appeals – none received.

iv. The Braintree District Council Local Plan Review (attached to record Minutes) Regulation 18 Consultation was expected to begin in February. White Colne was not expected to have any proposed development sites, but any in adjacent parishes would affect the village. The council's response would be formulated and approved at the next meeting.

It was RESOLVED: that the item be noted.

v. White Colne Parish Council's response to the Colchester City Council Local Plan Review Regulation 18 Consultation had been entered (attached to record Minutes).

It was RESOLVED: that the item be noted.

vi. Great Bardfield Neighbourhood Plan – Regulation 16 Consultation (attached to record Minutes).

It was RESOLVED: that the item be noted.

vii. ECC Highways had historically agreed that a small area of land on Colneford Hill could be used for residents' parking. Cadent, an engineering firm working on behalf of the gas board, had notified

² Dear Sir / Madam

I am sending you the following link to the draft Neighbourhood Plan for Toppesfield, as your organisation is a statutory consultee. <https://e-voice.org.uk/toppesfield-parish-council/assets/documents/draft-plan-compressed>
If you have any comments on this document, please respond to me before 6th March 2026. I thank you for your attention to this.

Kind regards, Kaaren Berry, Clerk for Toppesfield Parish Council

residents that the area would be used for storage. Residents were concerned that upcoming works would affect their ability to park safely, and had asked for permission to erect signage.

It was RESOLVED: that the item be noted. Cllr Taylor would undertake a review of the council's historic Minutes.

087/25 LEISURE & FACILITIES

i. Village Hall: The Bridge Club had attended the Hall during its closure over the festive period, and had adjusted the heating despite instructions to leave site. The Club had been invoiced for electricity used.

Members received and considered the Village Hall's Hirer's Terms & Conditions. Several paragraphs were clarified with extra text. The updated Ts&Cs would be approved and published. Members received and considered the Village Hall's Solar Energy Report (attached to record Minutes). The published energy production for September 2025 was erroneous. The figure would be amended for future meetings. Export was performing well, although January had been dreary.

It was RESOLVED: that the items be noted. The revisions to the Village Hall Hirer's Terms & Conditions were approved.

ii. The application for funding Outdoor Gym equipment was ready to be entered (progress report attached to record Minutes). If successful, the parish would gain hydraulic outdoor gym equipment.

It was RESOLVED: that the grant application be entered.

iii. The preferred supplier of Outdoor Gym equipment was keen to help the council replace play equipment on The Meadows. A grant application was likely to miss Enover Trust's February deadline.

It was RESOLVED: that the item be noted.

iv. Cllr Taylor had attended a training session on Energy Local Clubs (report attached to record Minutes). Whilst they were an excellent idea in principle, such a scheme would not suit the Village Hall's energy production alone.

It was RESOLVED: that the item be noted. An Energy Local Club scheme would not be pursued by the parish council.

v. An Allotment plot holder had requested to place a shed on Plot 13.

It was RESOLVED: that the request be approved.

vi. Members received and considered a Tree Survey prepared by SD Arboriculture (tabled at meeting). A need for some works had been identified as 'medium' risk, needing to be carried out within a year. Quotes would be sought and a contractor appointed to carry out works after the nesting season.

It was RESOLVED: that the tree survey be noted and quotes for works sought.

088/25 GOVERNANCE

i. The parish council's response to the Local Government Reorganisation Consultation had been entered (attached to record Minutes).

It was RESOLVED: that the council's response be noted.

ii. Members reviewed the amalgamated Freedom of Information, Complaints, & Feedback Policy (attached to record Minutes).

It was RESOLVED: that the Freedom of Information, Complaints, & Feedback Policy be adopted.

089/25 ITEMS FOR INCLUSION ON THE AGENDA OF A FUTURE MEETING

Ongoing matters would be considered. No new items were suggested.

090/25 DATE OF NEXT MEETING

The next meeting of White Colne Parish Council was scheduled to take place on Tuesday 17th March 2026 at White Colne Village Hall at 1930hrs.

The meeting closed at 21:30hrs.

Have your say on our budget proposals for 2026/27

07.01.2026 17:05

Local authorities across the country continue to face significant financial pressures, driven by rising demand for services, increasing costs and inflation.

While we've successfully reduced this year's budget shortfall through a combination of increased income, savings and efficiencies, longer-term challenges remain. The Government is proposing fundamental changes to the funding system for local authorities from April 2026. Over the next four years, we currently project that we need to address a budget gap of up to £2.8 million by 2029/30.

To meet these challenges, we're progressing with our transformation programme, which involves a thorough review of our services. This initiative is focused on delivering efficiencies and savings to secure a stable financial position for the medium and long term. As part of Greater Essex, we are also working across the Essex system on plans for Local Government Reorganisation, which if implemented, would see new Unitary Councils in place from April 2028.

With this approach, we can continue to deliver the best possible services for our residents and communities both now and in the future.

You can view further details on our 2026/27 budget proposals in the [Cabinet Report](#) (see pages 123 to 145 of the agenda) or in the [presentation](#) made to the Corporate Scrutiny Committee.

We welcome your feedback. If you have any comments on our proposals, please email financialservices@braintree.gov.uk by Saturday, 31 January 2026.

The final budget and council tax proposals will be presented to Full Council on Monday, 16 February 2026.

Local Plan update - consultation coming soon

06.01.2026 16:46

[Over] The past few months our Local Plan Sub-Committee ~~have~~ has reviewed all proposed sites submitted to us it for [consideration in] the updated Local Plan, ~~where they've~~ allocated those ~~they~~ it considered suitable and rejected others.

The government ~~have~~ has set us a mandatory housing target which means we need to bring forward more land for development to help deliver 11,000 new homes, including much needed affordable homes.

A Local Plan is reviewed every five years and lets us decide the **most sustainable locations and protect areas where development shouldn't happen**, shaped by community input.

Without a Local Plan, national policy might mean the Council has to say yes to sites which are not currently allocated for development or the developer can appeal to the Planning Inspectorate ~~who~~, which might approve the application regardless.

[About the Local Plan Review – Local Plan Review – Braintree District Council](#)

How to keep updated

Next month we'll be launching the first official round of consultation where you'll be able to comment and share your views on the draft Local Plan document, which will include the proposed sites, before any decisions are made.

We'd strongly encourage everyone to take part so your feedback can help shape the final plan.

We'll share all updates via this newsletter. You can also [sign up to receive email updates from our planning team](#) when it launches.

Village of the Year 2025

White Colne Parish Council responses to Colchester City Council Preferred Options Local Plan Regulation 18 Consultation

Vision & Approach to the Local Plan

COMMENT:

White Colne Parish Council welcomes the opportunity to comment on the Preferred Options Local Plan. Although White Colne lies within Braintree District, development proposed in the northwest of Colchester District will have a direct and significant effect on the village due to the shared A1124 transport corridor which links the Earls Colne / Wakes Colne area to Colchester.

In particular, White Colne Parish Council notes the following site allocations:

- PP28: Land West of Station Road, Wakes Colne – approx. 200 dwellings
- PP27: Swan Grove, Chappel – approx. 35 dwellings
- PP36: Great Tey – approx. 125 dwellings
- PP31 & PP32: Land North of Halstead Road, Eight Ash Green – approx. 300 dwellings combined
- PEP12: Wakes Hall Business Centre – employment expansion

Taken together, these allocations amount to well over 800 new homes in the immediate A1124 catchment between Great Tey / Wakes Colne and the western edge of Colchester. All vehicular movements from these sites will necessarily travel along the A1124 or its immediate feeder routes, and a significant proportion will pass through or impact White Colne, a rural village already experiencing high traffic volumes, issues with speeding vehicles, limited crossing points, no continuous footway on parts of the A1124, and bus service unreliability.

The draft plan requires individual developments to demonstrate that they will not be “detrimental to highway capacity or safety,” yet the cumulative impact of 800+ dwellings (plus new employment land) on the A1124 corridor has not been assessed.

White Colne Parish Council therefore requests:

1. A full cumulative highways impact assessment

This must consider all allocations that use the A1124 as their primary route into Colchester, including those in Wakes Colne, Chappel, Great Tey, Eight Ash Green, and Copford.

2. Identification of required mitigation measures

Including but not limited to:

- junction improvements,
- speed management,
- pedestrian safety enhancements,
- bus service improvements,
- measures to protect rural villages from increased through-traffic.

3. Cross-boundary engagement

Colchester City Council must work proactively with Braintree District Council, Essex County Highways, and White Colne Parish Council, as the impacts of proposed Policies will fall substantially outside Colchester’s own administrative boundary.

4. Recognition that infrastructure needs do not stop at district boundaries

The Local Plan should explicitly acknowledge the dependency of new development on the A1124 and commit to ensuring that rural communities such as White Colne are not disproportionately affected by growth elsewhere.

White Colne Parish Council supports sustainable, well-planned development. However, without a clear cumulative transport strategy, the draft plan risks delivering significant adverse impacts on road safety, noise, air quality, and the rural character of our village.

Policy ST5: Colchester's Housing Need

COMMENT:

White Colne Parish Council notes the proposed site allocations in the north-western area of the Colchester Preferred Options Local Plan:

PP17: Land south of A12 & Marks Tey Village;

PP18: Land North of A120, Marks Tey;

PP27: Swan Grove, Chappel;

PP28: Land West of Station Road, Wakes Colne;

PP31: Land North of Halstead Road East of Wood Lane, Eight Ash Green;

PP32: Land North of Halstead Road West of Fiddlers Wood, Eight Ash Green;

PP33: Land East of Plummers, Fordham;

PP36: Land at Earls Colne Road, Great Tey;

PP45: Land off New Road, Aldham.

Taken together, these allocations amount to 3,330 dwellings.

Policy ST6: Colchester's Employment Needs

COMMENT:

White Colne Parish Council notes the proposed site allocations in the north-western area of the Colchester Preferred Options Local Plan:

PEP5: Land south of A12 Marks Tey, 16ha;

PEP6: Anderson's Site, Marks Tey, 3.2ha;

PEP9: Bullbanks Farm, Eight Ash Green, 0.8ha;

PEP10: Lodge Lane, Langham, 1ha;

PEP12: Land at Wakes Hall Business Centre, 0.9ha.

Taken together, these allocations amount to 21.9ha.

Policy ST7: Infrastructure Delivery and Impact Mitigation

COMMENT:

The wording of Policy ST7 is woefully inadequate. Developers cannot be “expected to contribute” towards infrastructure delivery: they must be committed to contribute. Any loophole provided by poorly worded Policy will be exploited by developers, and anything less than a clear Policy statement risks the potential loss of significant developer contributions towards providing infrastructure. It must also be clear that that any contributions and infrastructure improvements must be made before dwellings are offered for sale.

In addition, the Local Plan should not become ‘made’ until the Council has made the necessary changes needed in order to adopt Community Infrastructure Levy (CIL) in tandem with the Local Plan Review.

[Policy PP28: Land West of Station Road, Wakes Colne](#)

COMMENT:

White Colne Parish Council strongly objects to the scale of the proposed allocation at Wakes Colne. The site allocation lies directly adjacent to White Colne. The proposed allocation represents a substantial expansion disproportionate to the size and function of Wakes Colne, virtually doubling its population. Development on this scale will increase traffic on local roads, particularly the A1124, negatively impacting adjacent parishes. The Wakes Colne link road required under PP28 will channel more traffic directly onto the A1124, increasing congestion, noise and safety risks through White Colne.

Policy PP28 does not ensure that the entire area will not be developed. The Policy should state that 200 dwellings is the maximum allocation.

White Colne has experienced flooding incidents, which could be exacerbated by the increase in hardstanding and impermeable surfaces at the proposed development site.

[Policy PEP12 Land at Wakes Hall Business Centre](#)

COMMENT:

White Colne Parish Council objects to the proposed extension of the existing business centre. Further development of the site would encroach into open countryside towards the edge of White Colne. Expansion of the site will increase the risk of flooding, and will increase traffic on local roads, particularly the A1124, negatively impacting adjacent parishes.

[Policy PP31: Land North of Halstead Road and East of Wood Lane, Eight Ash Green](#)

COMMENT:

White Colne Parish Council objects to the scale of the proposed allocation at Eight Ash Green. Development on this scale will increase traffic on local roads, particularly the A1124, negatively impacting adjacent parishes.

[Policy PP32: Land North of Halstead Road and West of Fiddlers Wood Eight Ash Green](#)

COMMENT:

White Colne Parish Council objects to the scale of the proposed allocation at Eight Ash Green. Development on this scale will increase traffic on local roads, particularly the A1124, negatively impacting adjacent parishes.

[Policy PP36: Land at Earls Colne Road, Great Tey](#)

COMMENT:

White Colne Parish Council objects to the scale of the proposed allocation at Great Tey. Development on this scale will increase traffic on local roads, particularly the A1124, negatively impacting adjacent parishes.

Great Bardfield Neighbourhood Plan – Regulation 16 Consultation

02.12.2025 09:07

Great Bardfield Neighbourhood Plan Consultation.

You have received this email because you are registered on the Braintree District Council Planning Policy mailing list or have indicated an interest in the Great Bardfield Neighbourhood Plan.

A Great Bardfield Neighbourhood Plan has been submitted to Braintree District Council by the Parish Council. We are now seeking views on the Plan (under Regulation 16 of The Neighbourhood Planning (General) Regulations 2012).

Where can I view and comment on the plan and supporting documents?

- Online at: <https://www.braintree.gov.uk/policyconsultation>

The consultation is open until 5pm on Friday 26th January 2026

Once the consultation has closed an independent examiner will consider the plan along with evidence documents and all the comments. If approved, a local referendum will then follow and if the plan is supported by most of the votes it will be adopted as part of the Development Plan for Braintree.

Hard copies of the documents and response forms are also available at:

- Community Information Point, Dunmow Road, (Between the Town Hall and the Bell Public House), Great Bardfield CM7 4SA – Thursdays and Saturdays 10:00-12:00;
- Braintree Council Offices, Causeway House, Bocking End CM7 9HB during opening hours.

What is a Neighbourhood Plan?

A Neighbourhood Plan is a way for communities – in this case Great Bardfield Parish Council, to take a proactive approach to deciding the future of the places where they live and work. Once 'made' (adopted) a Neighbourhood Plan has the same legal status as the district wide Local Plan and is used alongside the Local Plan in deciding planning applications that fall within its area.

For more information, please see <https://www.braintree.gov.uk/neighbourhoodplan>

Yours faithfully

Alan Massow MRTPI

Principal Planning Policy Officer

Outdoor Gym Progress Report

Background and due diligence

The clerk, the Chair and Cllr Field have been exploring the installation of a small, low-impact outdoor gym located close to the Village Hall, aimed at supporting inclusive physical activity for residents of all ages, particularly older residents and Hub users. Demand for this facility has been evidenced through the parish survey and usage data from the Village Hub.

A review of suitable suppliers was undertaken, focusing on:

- Compliance with relevant safety standards
- Suitability of equipment for a wide range of abilities
- Installation experience and ongoing support
- Value for money within Sport England funding thresholds

Following this review, Caloo Ltd was identified as the preferred supplier.

Preferred supplier and cost

Caloo Ltd has provided a fully itemised quotation (Quotation-076404, dated 4 December 2025) for the supply and installation of EN16630-certified outdoor gym equipment, including safety surfacing, signage, delivery, installation, and site preliminaries.

The total project cost is £14,995 (net), with VAT additional.

The supplier has confirmed that the quotation validity has been extended until the end of March, allowing sufficient time for the funding decision and, if successful, orderly project delivery.

Funding application

An application to Sport England's Movement Fund has been prepared for the full net amount of £14,995. Submission of the application requires formal council approval.

Recommendation

Councillors are asked to:

1. Note that appropriate due diligence has been carried out in selecting Caloo Ltd as the preferred supplier for the outdoor gym project; and
2. Approve submission of the Sport England funding application for £14,995 to support delivery of the project

Briefing Note: Energy Local – Current Position

What is Energy Local?

Energy Local is a community energy model that allows households to buy locally generated renewable electricity at a much-reduced price when their electricity use matches local generation. Households choose whether to join an Energy Local Club and benefit by adjusting their electricity use to times when local generation is available. The local generator receives a higher unit price than standard export rates. Participation is voluntary and customer-led.

Our current generation position

The Village Hall solar array exports approximately 8,500 kWh per year to the national grid, generating income for the parish. At this scale:

- Only around 8–10 households could realistically participate
- In a village of approximately 220 households, this would benefit only a small minority
- Demand to join would likely exceed supply

This would place the Parish Council in the position of deciding which households benefit, which is not an appropriate role for the council.

Domestic solar installations

Domestic solar installations cannot be included as generators within an Energy Local Club. Current legislation and supplier arrangements do not permit household-scale systems to participate. In addition, surplus electricity from domestic installations is typically too small and intermittent to support a viable club.

Why scale matters

Energy Local is most effective where:

- There are multiple, larger local generators
- Generation is sufficient to support many households
- Residents can choose to join without Parish Council involvement in selection

This ensures the scheme remains customer-led and equitable.

Current recommendation

The Parish Council should:

- Continue exporting surplus electricity to the grid
- Retain the income within parish finances, benefiting all residents by reducing pressure on the precept
- Energy Local should be kept under review if additional local generation becomes available at a scale that allows open participation.

Recommendation:

That the Parish Council notes Energy Local as an innovative model, but agrees it is not currently appropriate at the present scale of local generation.

Local Government Reorganisation – Survey Responses

Proposals for Essex

The main reform under discussion would replace the existing 15 councils in Greater Essex (county + district/borough + existing unitaries) with either three, four or five new unitary authorities. The proposals are available at: [Proposals | Essex Local Government Reorganisation Hub](#).

Consultation on the Proposal from Southend-on-Sea City Council, Chelmsford City Council, Basildon Borough Council, Brentwood Borough Council, Castle Point Borough Council, Colchester City Council, Harlow District Council, Maldon District Council, Tendring District Council and Uttlesford District Council for FIVE unitary councils: [Greater Essex 5UA LGR Proposal - Creating a greater future for Essex - Executive Summary.pdf](#)

Local Government Reorganisation should simplify governance and strengthen the most local tier. Introducing Neighbourhood Delivery Committees risks weakening parish councils — the bodies best placed to represent communities — and recreating a layer of governance that LGR is intended to remove.

Combining Braintree District with Uttlesford and Chelmsford will not give the northern parishes proper representation. There is a distinct danger that a Unitary Authority based on this make up will regard itself as a "Mini Essex County Council", with assets and responsibilities likely focused on Chelmsford City, to the detriment of the more rural areas. There is a potential for a similar focus of responsibilities and assets towards Colchester in the East, whilst there is no clear centre of administration for the remaining two proposed authorities. This option is the most unworkable.

Local Government Reorganisation should simplify governance and strengthen the most local tier. Introducing Neighbourhood Delivery Committees risks weakening parish councils — the bodies best placed to represent communities — and recreating a layer of governance that LGR is intended to remove.

1. Freedom of Information Policy

- 1.01 Introduction** – The Freedom of Information Act gives you the right to obtain information held by public authorities unless there are good reasons to keep it confidential.
- 1.02 The Information Commissioner’s Office**
- 1.03 The ICO is the UK's independent public body set up to promote access to official information and protect personal information. It has responsibility for ensuring that information is disclosed promptly and that exemptions from disclosure, such as covered by Data Protection legislation, are applied lawfully. Some information could be exempt from disclosure.
- 1.04 How do I make a request?**
- 1.05 Make the information as specific as possible. If your request is too broad the Council may ask you to clarify it. This could mean it takes longer to get the information.
- 1.06 Provide as full a description as possible of the information you require.
- 1.07 Be clear about the format you would prefer to receive the information in, for example, by e-mail or as a paper copy.
- 1.08 What happens once my request has been received?**
- 1.09 Any request for information should be treated by the Council as a formal request for information and the Council suggests that e-mails or letters are clearly marked as freedom of information requests to avoid any confusion.
- 1.10 The Council must respond promptly to requests or, in any event, within 20 working days although the Council has longer to consider whether the disclosure of normally exempt

information would be in the public interest. When considering the public interest test, the Council must do so 'within a reasonable time.'

1.11 What if the information is refused?

- 1.12 Where the Council decides not to disclose the information requested it must give reasons for its decision, it must explain how the exemption or exception applies and it must explain the arguments under the public interest test. The Council must also inform you of your right to complain to the ICO.

1.13 How can the ICO help and what is the legal process?

- 1.14 You may apply to the ICO for a decision about whether the request has been dealt with according to the Act, for example, you believe there has been excessive delay or if you wish to dispute the application of an exemption or refusals made on public interest grounds.
- 1.15 The ICO may serve a decision notice on the Council either confirming the decision made by the Council or directing it to disclose information within a certain time. Non-compliance with a decision notice may constitute contempt of court.
- 1.16 If you or the Council disagrees with the ICO's decision you have 28 days to appeal to the independent **Information Tribunal**. The Information Tribunal may uphold the ICO's decision notice, amend it (for example change the time frame for release of information) or overturn it. Non-compliance with the Information Tribunal's notice may also constitute contempt of court.

1.17 Additional Information

- 1.18 Additional guidance on the Freedom of Information Act is available on the ICO website at www.ico.gov.uk or by telephone to the helpline 01625 545745.

2. Publication Scheme

2.01 Introduction

- 2.02 Under Freedom of Information it is the duty of every public authority to adopt and maintain a publication scheme.
- 2.03 The Information Commissioner's Office (ICO) changed the emphasis in the approval and operation of publication schemes to a generic model which should be adopted and operated by all public authorities.
- 2.04 The model commits a public authority to 'produce and publish the method by which the specific information will be available so that it can be easily identified and accessed by members of the public'.
- 2.05 This must be adopted in full, unedited and promoted alongside the guide to information. Local councils are not required to inform the Information Commissioner's Office that they have adopted the scheme; it will be assumed they have done so unless the ICO hears otherwise.
- 2.06 The publication scheme provides a list of all the information the Council will make routinely available, explain how it can be accessed (either via the Parish Council website or hard copy) and whether a charge will be made for it.

2.07 Classes of Information

2.08 The information held by White Colne Parish Council has been recorded under the following classes of information:

- Class 1 Who we are and what we do
- Class 2 What we spend and how we spend it
- Class 3 What our priorities are and how we are doing
- Class 4 How we make decisions
- Class 5 Our policies and procedures
- Class 6 Lists and registers
- Class 7 The services we offer

2.09 Website

2.10 Some information is routinely available from the Parish Council's website at no charge. The Parish Council's website can be found at: www.whitecolneparishcouncil.gov.uk. A copy of this publication scheme is also available on the Parish Council website.

2.11 Charges for Information Published under this Scheme

2.12 Information available through this Council's publication scheme should be readily available at minimum cost to the public. In most cases charges will be made on the basis of cost recovery.

2.13 Charges may be made for actual disbursements (e.g. photocopying and postage) and information that the council is legally authorised to charge for.

2.14 Anyone requesting information will be notified of any charge before the information is provided. Payment will be requested before the information is supplied.

2.15 FOI requests and the Publication Scheme

2.16 It is important to note that a publication scheme simply sets out the information that is routinely available. Information that is not listed in the guide can still be requested and should be made available unless it can be legitimately withheld.

2.17 Availability of Datasets

2.18 The Protection of Freedoms Act 2012 amended clause 11 of the Freedom of Information Act 2000 to make datasets available for re-use by members of the public. Once a dataset is disclosed following an FOI request, White Colne Parish Council will make that dataset more widely available and any updated version of that dataset by inclusion on our website. All datasets published in this way will be in a format capable of re use wherever possible, i.e. not in a PDF format.

2.19 For datasets which do not contain copyright material the usual FOI charging provisions will apply as set out in this Publication Scheme – i.e. the Council will only be able to charge photocopying, postage and any disbursements.

2.20 However, if datasets are published which contain copyright material then the Council may exercise any power it has under other enactments to charge a fee in connection with making the relevant copyright work available for re use. – This only covers re use and *not* access to the information.

- 2.21 The list of information published by the parish council, and how that information may be obtained can be found below. Most of our public documents are available to access in several ways:

Hard copy

Where a document is available in hard copy, please contact the Parish Clerk. There may be a small charge for providing copies of documents, and for postage.

Inspection at White Colne Village Hall

With appropriate notification, hard copy documents can be viewed at White Colne Village Hall on evenings when the parish council is in session. Contact clerk@whitecolneparishcouncil.gov.uk to make arrangements.

Parish Council noticeboards

Agendas, notification of electors' rights to view the parish council's accounts, and other important information are disseminated on the parish council's noticeboards.

Newsletter

The Parish Council produces an occasional newsletter containing pertinent and useful information. The newsletter is delivered to every accessible household and business.

This list is not definitive. The parish council also uses local publications and events, where appropriate, to enable residents to access information.

3. Complaints Procedure

3.01 Introduction

- 3.02 White Colne Parish Council is committed to providing the best service it can for the benefit of the people who live or work in its area or are visitors to the locality. This Complaints Procedure sets out how any dissatisfaction regarding the standard of the service that has been received from this Council or any action, or lack of action, by this Council can be brought to their attention and how the Council will try to resolve any issues. White Colne Parish Council believes a complaints procedure demonstrates that the Council:

- Wishes to provide a good service
- Values feedback
- Undertakes its business in an open and honest manner
- Wishes to deal with complaints fairly

- 3.04 The Council believes that complaints and suggestions provide a valuable opportunity for improving its services and performance. This Complaints Procedure applies to complaints about council administration and procedures and may include complaints about how council employees have dealt with your concerns.

3.05 What is a complaint?

- 3.06 For the purposes of this procedure, a complaint is defined as: *An expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the Council or its staff affecting an individual, group or organisation.* This definition covers most complaints – such as:
- Dissatisfaction with the administration of policy and decisions
 - Delays in responding to service requests
 - Failure to achieve standards of service
 - Failure to fulfil statutory responsibilities
 - Employee’s behaviour or attitude

3.07 How we deal with complaints

3.08 Most complaints will be reviewed by the Clerk whose responsibility it is to investigate, as necessary, and respond as quickly as possible. On receipt of a complaint, the Clerk, or Chairperson of the Council, whichever is applicable, shall (except where the complaint is against their own actions) try to settle the complaint directly with the complainant in a timely and efficient manner. If the complainant is not satisfied with the action taken, the complainant will be asked to put the complaint officially in writing to the Clerk. This may be by letter or by e-mail. The Clerk will usually acknowledge receipt of the complaint within five working days. In normal circumstances a response should be sent within ten working days. Where this is not possible an interim response should be sent giving an indication of when a full reply can be expected. If a complainant is dissatisfied with the full response, this fact should be drawn to the attention of the Chairperson of the Council. In consultation with other Members, as necessary, and after obtaining any further relevant information, the Chairperson will issue a further response.

3.09 Should the complainant indicate that he would prefer not to put the complaint to the Clerk he shall be advised to put it in writing to the Chairperson of the Council. The Clerk or the Council (as appropriate) will investigate each complaint, obtaining further information as necessary from the complainant and/ or staff or members of the Council. The Clerk or Chairperson shall bring any written complaint which cannot be settled to the next meeting of the council, and the Clerk shall notify the complainant of the date on which the complaint will be considered. The Council shall consider whether the circumstances surrounding any complaint should be discussed in the absence of press and public, but any decision on a complaint dealt with in this way shall be announced at the next Council meeting in public session.

3.10 The Clerk or Chairperson of the Council will notify the complainant of the outcome of the complaint and of what action (if any) the Council proposes to take. The time frame for this is usually 20 working days but, in exceptional cases, this may be extended. The complainant will be notified.

3.11 Complaints about Members of White Colne Parish Council

3.12 All Councillors have signed an undertaking that they will observe the Council’s Code of Conduct. The Code – which is the Model Code of Conduct for Members approved by Parliament – specifies a Councillor’s obligations. Alleged breaches of the Code must be reported in writing to the Monitoring Officer at Braintree District Council.

3.13 Complaints about services provided by other public organisations

3.14 Given that some public services in White Colne are provided by either Braintree District Council or Essex County Council – and that the division of responsibilities between public bodies can often be confusing – White Colne Parish Council will advise and, if appropriate,

assist those wishing to pursue complaints against other public organisations providing services in the parish.

3.15 This Complaints Procedure does not apply to:

- Complaints from one Council employee against another Council employee, or between a Council employee and the Council as an employer. These matters are dealt with under the Council's disciplinary and grievance procedure.
- Complaints against Councillors are covered by the Code of Conduct for Members. If a complaint against a Councillor is received by the Council, it will be referred to the Monitoring Officer of Braintree District Council. Further information on the process of dealing with complaints against Councillors may be obtained from the Monitoring Officer.
- Complaints concerning financial irregularities should be directed to the Parish Council's external auditors. Contact details may be obtained from the Clerk.
- Complaints concerning criminal activity which should be reported to the Police.

4. Vexatious Complaints Policy

4.01 INTRODUCTION

4.02 Dealing with a complaint is normally a positive and helpful process, but in a small minority of cases, people pursue their complaints in a way which can impede the investigation of their complaint or can have a significant resource cost for the council. This can happen either whilst their complaint is being investigated, or once the council has dealt with the complaint.

4.03 White Colne Parish Council is committed to dealing with all complaints equitably, comprehensively, and in a timely manner, and we will not normally limit the contact which complainants have with council staff or councillors.

4.04 However, the council does not expect staff or councillors to tolerate unacceptable behaviour by any customer. The council will take action to protect staff and councillors from such behaviour. Unacceptable behaviour includes behaviour which is abusive, offensive or threatening.

4.05 If a complainant behaves in a way that is repetitive, habitual or vexatious, the council will follow this policy to manage the interaction.

4.06 Raising legitimate queries or criticisms of a complaints procedure, for example if agreed timescales are not met, would not in itself lead to someone being regarded as a habitual and/or vexatious complainant.

4.07 Similarly, the fact that a complainant is unhappy with the outcome of a complaint and seeks to challenge it once, or more than once, would not necessarily cause them to be regarded as a habitual and/or vexatious complainant.

4.08 AIM OF THE POLICY

4.09 To clarify how the council will decide which complainants will be treated as habitual and/or vexatious, and what the council will do in those circumstances.

4.10 DEFINITIONS

- 4.11 White Colne Parish Council defines habitual and vexatious complainants as those who, because of the frequency or nature of their contacts with the council, hinder the council's consideration of theirs or other people's complaints.
- 4.12 Examples include using repetitive methods or frequent contacts to raise their complaint with staff and councillors or responding inappropriately when informed of the council's decision about the complaint.
- 4.13 An habitual and/or vexatious complainant may:
- Have insufficient grounds for their complaint and be making the complaint mainly to annoy or embarrass or to waste time;
 - Refuse to specify the grounds of a complaint despite offers of assistance;
 - Refuse to co-operate with the complaint's investigation process;
 - Refuse to accept that issues are not within the remit of the complaints policy and procedure despite having been given information about the policy and procedure;
 - Refuse to accept that issues are not within the power of the council to investigate or influence e.g. a complaint about something that is the responsibility of another organisation;
 - Refuse to accept the outcome of the complaint process after its conclusion;
 - Refuse to accept that the response or information given is truthful or accurate;
 - Insist on the complaint being dealt with in ways which are incompatible with the complaint's procedure or with good practice;
 - Make an unreasonable number of contacts with the council, in relation to a specific complaint or complaints;
 - Harass or verbally abuse or seek to intimidate staff dealing with their complaint;
 - Repeatedly introduce new information whilst the complaint is being investigated, and expect this to be taken into account;
 - Deny statements they made at an earlier stage in the complaint process;
 - Make the same complaint repeatedly, after the complaint's procedure has been concluded;
 - Persist in seeking an outcome which is unrealistic for legal, policy, or other valid reasons.

4.14 IMPOSING RESTRICTIONS WHEN BEHAVIOUR IS CONSIDERED VEXATIOUS

- 4.15 White Colne Parish Council will always first ensure that the complaint is being, or has been, investigated properly according to the Council's Complaints Procedure.
- 4.16 If the complainant's behaviour appears to be problematic, the clerk will consult with the Council to agree how to proceed.
- 4.17 The clerk will contact the complainant to explain why their behaviour is causing concern and ask them to moderate their behaviour. The clerk will explain the actions that the council may take if the behaviour does not change and supply a copy of this procedure.
- 4.18 If the problem behaviour continues, the Council will consider the situation and may decide that the behaviour is Vexatious. The Clerk will inform the complainant in writing of this, and of any limitations or procedures which have been put in place and for what period.
- 4.19 Any restrictions that are imposed on the complainant's contact with the council will be appropriate and proportionate. In most cases restrictions will apply for 3 or 6 months but in exceptional cases may be extended to 12 months. In such cases the restrictions would be reviewed annually.

- 4.20 Restrictions will be tailored to deal with the individual circumstances of the complainant and may include;
- Requiring the complainant to make telephone contact only through a third party, e.g. a solicitor, councillor, or friend acting on their behalf;
 - Requiring the complainant to send emails only to a specific nominated individual;
 - Requiring contact to take place with one named member of staff only;
 - Restricting telephone calls to specified times or of limited duration;
 - Requiring any personal contact to take place only in the presence of an appropriate witness;
 - Advising the complainant that the council will not respond to any further contact from them on the specified topic of that complaint.

- 4.21 When the decision has been taken to apply this policy to a complainant, the clerk will contact the complainant in writing to explain:
- Why the council has taken the decision;
 - What action the council is taking;
 - The duration of that action;
 - The review process of this policy.

The clerk will enclose a copy of this policy in the letter to the complainant. The fact that the complainant is judged to be a vexatious complainant and any restrictions imposed on the council's contact with them, will be recorded in Council Minutes.

4.22 NEW COMPLAINTS FROM COMPLAINANTS WHO ARE TREATED AS HABITUAL AND/OR VEXATIOUS

- 4.23 New complaints from people who have come under this policy will be treated on their merits.

- 4.24 The Clerk will decide and advise the council whether any restrictions which have been applied before are still necessary and appropriate in relation to the new complaint.

- 4.25 White Colne Parish Council does not support a 'blanket policy' of ignoring genuine service requests or complaints where they are raised. Any new issue raised will be given proper consideration.

4.26 REVIEW

- 4.27 The status of a complainant judged to be habitual and/or vexatious will be reviewed by the Clerk and the Council after three months, and at the end of every subsequent three months, during the period in which the policy applies.

- 4.28 If, for reasons of persistent vexatious behaviour, a complainant is restricted for a longer period of 12 months, that decision will be reviewed annually.

- 4.29 The complainant will be informed of the result of the review, and whether the decision to apply this policy to them has been changed or extended.

4.30 RECORD KEEPING

- 4.31 Adequate records will be retained by the Clerk of the details of the case and the action that has been taken.

5. Privacy Policy

5.01 INTRODUCTION

- 5.02 White Colne Parish Council may collect, hold, and process information, including personal information, in order to provide services effectively. White Colne Parish Council does this in its capacity as a data controller. Contact details for the data controller can be found in the 'Where can I get advice section?' below.
- 5.03 The Council recognises that this information is important to citizens and that it is responsible to citizens for the information it holds about them. As such, it takes seriously its responsibilities under Data Protection legislation to ensure that any personal information it collects and uses is done so proportionately, correctly, and safely. The privacy notice below explains how the council may use information about you, and the ways in which the council protects your privacy.
- 5.04 'Personal data' means any information relating to an identifiable person who can be directly or indirectly identified, in particular by reference to an identifier. This definition provides for a wide range of personal identifiers to constitute personal data, including name, identification numbers, or location data or online identifiers, which reflect changes in technology and the way organisations collect information about people.
- 5.05 The Council may collect, hold and use personal data to allow it to provide services on behalf of the citizens of White Colne. These services include, amongst others, planning, Allotments, and Village Hall hire.
- 5.06 White Colne Parish Council will use your personal data for a limited number of purposes, and at all times within the rules set out in Data Protection legislation. The council will process personal data for the following purposes:
- For the purpose for which you provided the information. e.g., processing information given for an Allotment Agreement, and to monitor the Council's performance in responding to your request.
 - To allow the Council to be able to communicate and provide services appropriate to your needs.
 - To ensure that the council meets its legal requirements, including obligations imposed under the Race Relations Act and Health and Safety Acts.
 - Where the processing is necessary to comply with its legal obligations.
 - To process financial transactions including grants.
 - Where you have consented to the processing.
 - Where necessary to protect individuals from harm or injury.
 - To deliver services and support to you, to manage those services, to monitor the quality of services provided and to plan new and updated services.
 - To train staff.
 - Where the council needs to investigate any worries or complaints you have about services the council provides.
- 5.07 White Colne Parish Council may use your personal data, after it has been anonymised, to allow the statistical analysis of data, and to allow the Council to effectively target and plan the provision of services.
- 5.08 How the law allows the council to use your personal information.**
- 5.09 There are a number of legal reasons why the council may need to collect and use your personal information. Each privacy notice at the bottom of this page explains for each service which legal reason is being used. Generally, the council collects and uses personal information where:
- you, or your legal representative, have given consent
 - you have entered into a contract with the council

- it is necessary to perform the council's statutory duties
- it is necessary to protect someone in an emergency
- it is required by law
- it is necessary for employment purposes
- you have made your information publicly available
- it is necessary for legal cases
- it is to the benefit of society as a whole
- it is necessary to protect public health
- it is necessary for archiving, research, or statistical purposes

5.10 If the council has consent to use your personal information, you have the right to remove it at any time. If you want to remove your consent, please contact the Clerk to the Council via clerk@whitecolneparishcouncil.gov.uk regarding which service you're using so the council can deal with your request.

5.11 White Colne Parish Council is continually working to improve how it provides services to the citizens of White Colne. The council may hold a customer record, comprising of your name and address, for example. For some services the council might also ask for email address and telephone number. The customer record will allow the council to respond to any queries you may have in respect of the provision of services more quickly and efficiently.

5.12 Telephone calls are not recorded.

5.13 The law gives you a number of rights to control *what* personal information is used by the council and *how* it is used.

5.14 You are also legally entitled to request access to any records held by White Colne Parish Council about yourself. When the council receives a request from you in writing, it must normally give you access to everything we have recorded about you. However, the council will not let you see any parts of your record which contain:

- confidential information about other people; or
- if the council considers that a crime may be prevented or found out by disclosing information to you.

This applies to paper and electronic records.

5.15 Whilst White Colne Parish Council tries to ensure that any personal data it holds about you is correct, there may be situations where the information it holds is no longer accurate. If this is the case, please contact the council so that any errors can be investigated and corrected.

5.16 You can ask for your personal information to be deleted (the right to be forgotten), for example:

- Where your personal information is no longer needed for the reason why it was collected in the first place
- Where you have removed your consent for us to use your information (where there is no other legal reason for us to use it)
- Where there is no legal reason for the use of your information
- Where deleting the information is a legal requirement

5.17 Please note that we cannot delete your information where:

- the council is required to have it by law
- it is used for freedom of expression
- it is necessary for legal claim

5.18 You have the right to complain about any matter relating to our service, including how the council uses your personal data. In the first instance please contact the Clerk to the Council.

- 5.19 The council will take appropriate steps to make sure it hold records about you (on paper and electronically) in a secure way, and it will only make them available to those who have a right to see them. The council's security includes:
- encryption
 - access controls on systems
 - security training for all staff
- 5.20 The council will only store your personal information for as long as is necessary. Records will be kept in accordance with the retention policy written by the National Association of Local Councils.
- 5.21 If you would like further information or if you have any concerns about how the Council is handling your personal data, please contact the Clerk in writing.
- 5.22 For independent advice about data protection, privacy and data sharing issues, you can contact the Information Commissioner's Office (ICO) at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Tel: 0303 123 1113 (local rate) or 01625 545 745 if you prefer to use a national rate number. Alternatively, visit www.ico.org.uk or email casework@ico.org.uk.
- 5.23 The council may use Google Analytics to collect information about how people use the website. The council would do this to make sure it's meeting its users' needs and to understand how it could do it better.
- 5.24 Google Analytics stores information about what pages you visit, how long you are on the site, how you got here and what you click on. We do not collect or store your personal information (e.g., your name or address), so this information cannot be used to identify who you are.
- 5.25 The council may also collect information on the number of times particular search terms are used and the number of failed searches. The council would use this information to improve access to the site and to identify gaps in the information content, so it can plan appropriate expansion of the system. Unless the law allows it to, the council does not:
- share any of the information it collects about you with others
 - use this information to identify individuals.
- 5.26 White Colne Parish Council will review and update this privacy notice, as needed, to reflect changes in its services as well as to comply with changes in the law. When such changes occur, the council will revise the "last updated" date at the bottom of this notice. The council encourages you to periodically visit the Council's web site to both review this notice, and to be informed of how White Colne Parish Council is protecting your information.
- 5.27 CUSTOMER SERVICE, ALLOTMENTS, VILLAGE HALL**
- 5.28 White Colne Parish Council may collect, hold, and process personal data in order to assess and improve its customer service. This may include:
- Customer name
 - Contact details (address, telephone number, email address)
 - Details of your enquiry
 - Bank details
- 5.29 The Council has a requirement to process the above information for the investigation of Complaints, Compliments and/or Comments. The council operates under the Data

Protection Act 2018 and other regulations such as GDPR. The council requests the minimum amount of information, and it is stored securely in a protected server.

- 5.30 The council may keep your personal information up to 6 years after the record has been closed.

6. Data Protection Policy

6.01 Introduction

- 6.02 One of the Council's roles is to encourage community involvement and participation; publication of some personal information is integral to this aim. At the same time, such publication must minimise any potential negative impact on individuals, e.g. intrusive marketing or identity theft.

- 6.03 The Council is bound by law to abide by the provisions of the Data Protection Act 1998. The eight principles of the act are given at the end of this Policy along with a link to the full online definition of the Act. It should be noted that any individual has the right to make a complaint to the Information Commissioner and that any upheld complaint against the Council could result in a fine.

- 6.04 The simplest way of ensuring compliance is to adopt a simple set of over-arching principles, since individuals acting for the Council may not be familiar with the full Act. The following principles apply:

Principle 1: Permission

The Council will not gather or publish any personal data unless the purpose of the data is made clear to, and permission has been obtained from, the data owner.

Principle 2: Single Use

Any personal data gathered as above will not be used for any purpose other than that stated when it was obtained. For example, if the Council gathers personal data for a paper publication it may not subsequently publish that data on the internet, and vice versa.

Principle 3: Protection of Electronic Data

The Council will ensure the safe keeping of any electronic files containing personal data and will not release those files to any external party except for the purpose of printing or publication. The Council will require that any files thus released are deleted after use.

- 6.05 As further protection, avoid presenting long lists of personal data. In general, contact information should be "dotted around" and presented in the context of other information. This is because there are always people who will use data from the internet for purposes other than that intended. An example would be gathering contact lists for onward sale; in this case, understanding the demographic or locality of contacts makes them more valuable. The way data is presented online may deter such misuse.

6.06 The Data Protection Act 1998

- 6.07 For full information see: http://www.ico.gov.uk/for_organisations/data_protection.aspx

- 6.08 The following are the eight principles of the Act reproduced from the Information Commissioner's website:

- i. Personal data shall be processed fairly and lawfully and, in particular, shall not be processed unless: (a) at least one of the conditions in Schedule 2 is met, and (b) in the case of sensitive personal data, at least one of the conditions in Schedule 3 is also met.
- ii. Personal data shall be obtained only for one or more specified and lawful purposes, and shall not be further processed in any manner incompatible with that purpose or those purposes.
- iii. Personal data shall be adequate, relevant and not excessive in relation to the purpose or purposes for which they are processed.
- iv. Personal data shall be accurate and, where necessary, kept up to date.
- v. Personal data processed for any purpose or purposes shall not be kept for longer than is necessary for that purpose or those purposes.
- vi. Personal data shall be processed in accordance with the rights of data subjects under the Act.
- vii. Appropriate technical and organisational measures shall be taken against unauthorised or unlawful processing of personal data and against accidental loss or destruction of, or damage to, personal data.
- viii. Personal data shall not be transferred to a country or territory outside the European Economic Area unless that country or territory ensures an adequate level of protection for the rights and freedoms of data subjects in relation to the processing of personal data.

6.09 Responsibilities

- 6.10 White Colne Parish Council is the Data Controller and must ensure that any processing of personal data for which it is responsible complies with the Act.
- 6.11 The Data Protection Officer (DPO) is Braintree District Council.
- 6.12 The Proper Officer of the Council is responsible for:
 - Fully observing conditions regarding the fair collection and use of information
 - Meeting the council's legal obligations to specify the purposes for which information is used
 - Collecting and processing relevant information, only to the extent that is required to fulfil operational needs/to comply with legal requirements
 - Ensuring the quality of information used
 - Applying strict checks to determine the length of time that information is held
 - Ensuring that the rights of the people whom information is held are able to be fully exercised under the Act
 - Taking appropriate technical and organisational security measures to safeguard personal information
 - Ensuring that personal information is not transferred abroad without suitable safeguards
 - Ensuring that everyone managing and handling personal information:
 - Fully understands that they are contractually responsible for following good practice in terms of protection
 - Is adequately trained to do so
 - Are appropriately supervised

6.13 Storage & retention

- 6.14 Personal data is kept in paper-based systems and/or on a password-protected computer system.
- 6.15 The Council will keep different types of information for differing lengths of time, depending on legal and operational requirements.

6.16 Access to information

- 6.17 Any employees, councillors, residents, customers, and other data subjects have a right to:
- Ask what personal information the council holds
 - Ask what this information is used for
 - Be provided with a copy of the information
 - Be given details of the purposes for which the council uses the information and any other persons or organisations to whom it is disclosed
 - Ask that any incorrect data is corrected
- 6.18 If it is felt by the data subject that any personal information held is incorrect the individual may request that it be amended. The council must advise the individual within 21 days whether or not the amendment has been made.

6.19 Breach of Policy

- 6.20 Compliance with the Act is the responsibility of all councillors, residents, customers, and members of staff. Any deliberate or reckless breach of the Policy may lead to disciplinary action and, where appropriate, legal protection
- 6.21 Any individual who believes that the council has breached any of the requirements of the Data Protection Act 1998 should raise the matter with the Clerk to the council in the first instance.

6.22 White Colne Parish Council's Data Protection Policy meets the council's responsibilities under Standing Orders 11, 19, 20, & 21.

7. Data Breach Policy

- 7.01 The General Data Protection Regulations 2018 define a personal data breach as "a breach of security leading to accidental or unlawful destruction, loss, alteration, unauthorised disclosure of, or access to, personal data transmitted, stored or otherwise processed".
- 7.02 Examples include:
- Access by an unauthorised third party.
 - Deliberate or accidental action (or inaction) by a controller or processor.
 - Sending personal data to an incorrect recipient.
 - Computing devices containing personal data being lost or stolen.
 - Alteration of personal data without permission.
 - Loss of availability of personal data.
- 7.03 A breach of personal data may result in a loss of control of personal data, discrimination, identity theft or fraud, financial loss, damage to reputation, loss of confidentiality of personal data, damage to property or social disadvantage. Therefore, a breach, depending on the circumstances of the breach, can have a range of effects on individuals.
- 7.04 Data breaches do not have to be routinely notified to the Information Commissioner's Office (ICO) or others. GDPR makes informing the ICO and the individuals affected compulsory in certain circumstances.

- 7.05 If the data breach is likely to result in a high risk to the rights and freedoms of the individual (e.g., identity theft), the breach must be reported to the individual and to the ICO without undue delay and, where feasible, not later than 72 hours after having become aware of the breach.
- 7.06 The Proper Officer must be informed immediately. The Proper Officer must report the breach to the ICO. If the ICO is not informed within 72 hours, Proper Officer must give reasons for the delay when they report the breach.
- 7.07 WHEN NOTIFYING THE ICO OF A BREACH, THE COUNCIL MUST:
- Describe the nature of the breach including the cause and scope (type of data, approximate number of data subjects and data records concerned);
 - Communicate the name and contact details of the Proper Officer.
 - Describe the likely consequences of the breach.
 - Describe the measures taken or proposed to be taken to address the personal data breach including mitigation measures and future preventative actions.
- 7.08 WHEN NOTIFYING AN INDIVIDUAL OF A BREACH, THE COUNCIL MUST:
- Communicate the name and contact details of the Proper Officer.
 - Describe the likely consequences of the breach.
 - Describe the measures taken or proposed to be taken to address the personal data breach including mitigation measures and future preventative actions.
- 7.09 The Council will not need to notify an individual if the following applies:
- It has previously implemented appropriate technical and organisational measures such that the personal data is unintelligible to any person not authorised to access it (e.g., encryption);
 - It has taken subsequent measures to ensure that the high risk to rights and freedoms of individuals is no longer likely to materialise, or;
 - It would involve a disproportionate effort.
- 7.10 If a data processor (e.g., payroll provider) becomes aware of a personal data breach, it must notify the Council without undue delay, so that the Council can fulfil its responsibilities under this policy.
- 7.11 All data breaches must be recorded. This record should be used to identify system failures and to improve the security of personal data.
- Date of breach
 - Type of breach
 - No. individuals affected
 - No. records affected
 - Reporting date to ICO/individual
 - Cause of breach
 - Likely consequences Preventative actions taken
- 7.12 Data breaches should be reported to the ICO via:
<https://ico.org.uk/for-organisations/report-a-breach/>

Date of policy: 20th January 2026
Date for next review: January 2027
